Greetings all.
Welcome back to another exciting term. I hope that everyone had a nice break and managed to enjoy some quality family time.

The holidays started in a rather excited fashion for some of our students that travelled to Brisbane on the first Saturday of the school holidays in order to participate in an AusKick match at the Gabba. It was a fantastic experience for our students to run out on to the main ground at half time in the match between the Lions and Adelaide, and play under the lights. Despite the cooler weather, our students worked up a real sweat and thoroughly enjoyed the opportunity. Thankyou to the parents that came along and helped with the organisation of such a terrific event.

The countdown is on to our official Centenary celebrations at the beginning of the September holidays. The community have put in a tremendous effort in organising this event and it is sure to be memorable. To keep up to date on Centenary happenings, be sure to check out the official website at www.kandanga.org.au

Field events for the Mary Valley Sports Carnival will take place at Imbil on Friday the 24th July. This is only for students aged 10-12 that meet the qualifying standards. We will forward more information on this early next week for those students that are involved.

Good luck to Alex for this weekend. Alex is representing the Wide Bay School Sport Region at the QLD cross country championships on the Gold Coast in the 3km event.
