Message from Mr Lucht

One of the key things that we pride ourselves on at Kandanga is giving children the opportunity to experience as many different activities as possible. Last week I saw an interview with Cadel Evans, the only Australian to have won the Tour De France and what he was saying really resonated for me because it reflected what we try to achieve at Kandanga. In the interview Cadel said, “I wasn’t an instant sporting success. Australian sport is suited to early developers. You have to run, throw, kick be fast and tall. Sport wasn’t very encouraging for me and I developed late at High School. I fell into cycling, fortunately. When I found cycling I discovered that success breeds motivation and I’ve followed that. As a father I encourage my children to try as many sports and activities as possible so they can discover their talent. I think everyone in the world has a talent and some are lucky enough to find out what that talent is - art, music, mathematics or endurance sport. Its only by trying these experiences that we learn about them.”

Invoices for Swimming

Invoices for swimming for Term 1 2016 will be handed out today with this newsletter. Some parents may have already paid for swimming and this will be deducted from your invoice. Some invoices are automatically emailed out to parents so you may have already received a copy of this invoice. Unfortunately the school does not have the facilities for payment by credit card or EFTPOS. Payment can be made by cash, or by cheque - made out to Kandanga State School or you can directly deposit the amount into our bank account -

Bank - CBA Name: Kandanga State School General Account
BSB 06 4416 Account 00090300

Please put either the invoice number or your child’s name and swimT1 2016 as reference. Thanks.
