Greetings all,

Attached to today’s newsletter is a permission letter for your child to attend upcoming sessions on Child Protective Behaviours. These sessions are centred around increasing student knowledge and awareness of safe behaviour, safe feelings, safe people to trust, warning feelings, private parts, secrets and scenarios. These sessions will be presented by trained facilitators including our own Gympie based Guidance Officer, Narissa Jovette. Different sessions will be presented for the different age groups and will focus on age appropriate topics. These sessions are not mandatory but we do encourage all families to give permission for their child to attend. Please sign the attached permission form and return to school by Monday the 6th June. Students without signed permission forms will not attend any of these sessions.

On Friday the 17th June years 4/5/6 will travel to Pomona to complete a climb of Mt Cooroora. This is aimed at increasing student self esteem, building resilience and increasing co-operation between all students. A full list of necessary items will be sent home next week along with permission forms.

Remember that our working bee is scheduled for this Sunday morning followed by a bbq morning tea.

On Friday 23rd June is our Mini Sports at Amamoor School. Parents will need to arrange transport for their child to and from Amamoor School. Students who catch the bus will also have to organise transport directly to Amamoor. Parents may wish to car pool, please organise this amongst yourselves as no transport from the school to Amamoor or return will be organised.

All students are required to attend the sports and to be dressed in full school uniform with appropriate footwear.

The day should conclude around 2:30pm.

If you are having trouble with transport and cannot organise to car pool with anyone, please contact the school.

We are hoping to get students in Years Four, Five and Six from Mary Valley State College, Amamoor, Dagun and Kandanga State Schools to participate in a Round Robin styled competition on the day. Teams will be nine-a-side and dependant on the interest these teams may be mixed or may be split into male and female divisions. At the moment we are looking to host this event on the 17th June from around 10:30am-2pm at the Kandanga Multisports Facility as it is a central location to all involved schools.
