Cleaners Day

Wednesday the 15th June is School Cleaners Day. Our School Cleaners provide invaluable support to teachers, students and school staff in the day-to-day operations of schools. School cleaners are often among the unsung heroes of the school community, so we would like to take this opportunity to thank Dawny & David for all the wonderful work they have done around our school. Our school always looks so clean and tidy— Thanks for doing such a fantastic job.

HELPING THE CLEANERS

To help make our cleaner’s task easier please ensure that you ……

• Remove all rubbish from the floors at the end of the day.
• Clean sinks and benches.
• Keep rooms tidy – avoid stacking books / paper on floor.
• Turn off fans, lights, air conditioners, heaters etc. when leaving room at the end of the day.
• Close and lock windows and doors at the end of the day.
• Clean spills (paint, glue etc. immediately) especially on carpet.
• If doing artwork on the ground, place something e.g. plastic over the surface first.

Do not paint windows.

Don’t use sticky tape or masking tape on walls or windows, use blu-tack (preferably blue) instead.

• Remove blu-tack from walls and windows when posters are taken down.

Displays etc. hanging from rafters must be above head height.

Use appropriate sinks to wash paint brushes.

Ensure that any rubbish is removed from under the port racks.

Stack chairs daily.

Children are to clean food scraps and rubbish from eating areas before going to play.

Above all form a team with you, the children and the cleaner to ensure the room and surrounds are the best they can be.
