Message from Mr Lucht

Greetings All,
Welcome back to another exciting school term. In addition to our annual sports days at Imbil we also have a number of other exciting programs to look forward to this term. In addition to the regular extra-curricula activities that our students have access to, this term we are also able to provide all of our students with dedicated lessons each week for Art, Drama and Social Skills Programs. For this entire term Mrs Luchich will be running an in-class art program where students will be experimenting and creating with different artistic mediums, Mrs McDowall will be running similar sessions for drama, and Mr Schofield will also be presenting our social skills program. In addition to these programs we also have a number of excursions planned including both our P-1 and 2-3 classes heading to the Gympie RoadCraft program over the coming weeks.
Thankyou to all that placed Pie-Drive orders. They will be available for collection at the school next Friday from 11:30.
School Photos

Enclosed with this newsletter is an order and payment envelope for school photos. Silver Rose Photography will be at school on Thursday 28th July to photograph groups and student portraits.

To ensure you have no problems with your order please read your school photo envelope carefully.

♦ Your child must return their envelope on Photo Day - (Thursday 28th July). If your child does not return their payment envelope they may not be photographed for individual portraits. You are welcome to place a late order with Silver Rose but usually only for group photos. A late fee will apply if ordering after Photo Day.
♦ You can make your payment by cash, credit card (Visa or Mastercard) cheque or money order.
♦ If you have any questions about Photo Day please call Silver Rose on (07) 32625788.

Please ensure that your child is dressed in full school uniform for their photos.

Again we remind parents that Students MUST hand in their OWN order envelope ON PHOTO DAY. Thank you.

Mary Valley Sports Imbil

Students in the Upper School will attend the Mary Valley Field Events to be held at Mary Valley College, Imbil on Wednesday 20th July.

A bus will transport students to and from the venue.

On Friday the 22nd July the whole school will be attending and competing in the sprints, relays, and ball games. Students need to be at Mary Valley College, Imbil by 9:00am Friday morning. Parents will again be responsible for transporting their child to and from the sports. (Please contact Kandanga School if you cannot arrange transport). Students who have not pre-ordered Tuckshop on Friday will need to bring their own lunch.

Don’t forget to be dressed in correct school uniform with appropriate footwear, hat and sunscreen.

The day should conclude around 2:30pm.

A tuckshop order form is enclosed with this newsletter. If you wish to order Tuckshop, please complete the form and return to school in an envelope with correct money enclosed. Order forms to be returned to Kandanga School by next Tuesday 19th July so they can be collated and delivered to Imbil by Wednesday morning. Thank you.

This is the more competition based of our two sports carnivals and is essentially a selection trial for the older students for the upcoming Gympie District trials. We try to ensure that all students participate in as many events as possible but we are limited to a certain number of nominations for each event.

Book Fair – coming soon!

A Book Fair has been organised starting Monday 22nd August in the School Library.

More details to follow closer to the date.
Roadcraft Visits

Roadcraft lessons have been organised for students in the lower primary classes. Students in Years P/1 will attend Roadcraft in Gympie on Wednesday 27th July with students in Years 2 and 3 attending on Friday 29th July. A bus will transport students to and from the venue and there will be no cost to parents.

Roadcraft courses cover bicycle safety, passenger safety in cars and pedestrian safety on roads. This program offers the opportunity for practical learning of essential road safety concepts and skills on Roadcraft's designated bicycle road circuit. An experienced Road Safety Educator will host this programme, which is provided as a 2.5 hour morning or afternoon session to a maximum of thirty students at a time.
