Greetings all,

This week we have had a renewed focus on playground behaviour, and in particular what is acceptable and not acceptable within the games that children play at school. Our major focus in this regard has been to emphasise to all students that there is no excuse for using our hands and feet towards other students. In the event that this does occur, all students are aware that this needs to be reported to a teacher immediately rather than retaliating.

With the warmer weather returning, we have also had a focus on ensuring that all children are wearing hats whilst outside. The school policy continues to be “NO HAT—NO PLAY”!!! This is to safeguard children against potential sun damage to their skin.

On Tuesday next week we are fortunate enough to have the Aspley High School band visiting to perform some of their musical showpieces. This is from 2pm in the large undercover area. All are welcome to attend.

Next week is our last week of school prior to the September holidays and we are holding a special parade at 10:15 next Thursday to present some special awards. We will hold a sausage sizzle morning tea immediately afterwards. All parents are welcome to attend.
